Covid-19 Information

Since the beginning of the Covid-19 pandemic, the Christian Conference Center has worked hard to keep our guests, volunteers and staff as healthy as possible. We rely on guidance from the CDC and the American Camping Association (ACA) to shape our policies. We have put extra cleaning and safety measures in place for all camps and rental groups at the CCC. We are happy to report that we had zero cases of Covid-19 at our summer camps in 2021! We are still determining our final protocols for overnight camp for 2022. As the pandemic continues to change and as CDC and ACA guidance changes along with it, we will update our protocols. We will communicate final policies for the 2022 season by May 1st (about month before the season begins).

I have read and understand the Covid-19 information provided on this form, and I agree to instruct my camper to follow health and safety protocols that are required by the Christian Conference Center for participation.
